Joe-
We will schedule the site visit the week of July 30, potentially on Wednesday, and have a telecon on Tuesday next week, July 17.
I will send you and Brad a meeting invitation for July 17 later today and a list of discussion topics this week. I gave Brad a preview of topics during our call this morning.
Thanks.
Carolyn

Carolyn - just talked with Brad Gentry about your call. If we could postpone the onsite meeting until the week of July 30th, that would be very helpful for me. I am available that week and can also be available for a call on the 17th. Please let me know if this works for the agency and I'll make my plans accordingly.
